Re: People v Bobby Alexander
Docket No. 154398-2

Dear People:

Our office was appointed by the federal court to defend Bobby Alexander. Please deem this letter a request for information regarding his custody time in Docket No. 154398-2.

Mr. Alexander's sentencing is set for August 13, 2008. Under the United States sentencing guidelines, Bobby is entitled to pre-sentence credits for any undischarged term of imprisonment based on the same underlying facts. Our understanding was that Bobby was detained in custody in Contra Costa County from the time of his arrest until the District Attorney dismissed the case. We would like to know how long he was in custody.

Thank you in advance for your assistance.

Very truly yours,
Law Offices of Garrick S. Lew & Associates

Amanda Levings
Assistant to Garrick S. Lew

ADDITIONAL PROCEEDINGS

The def't's atty. told Court that New Connection is not a residential drug treatment prog., it's only an outpatient treatment prog. Pret. Svcs. P. Mamaril checked the location of def't's Aunt's address in Pittsburg, CA & although there's no public/private school close to her house, there's a park nearby but it's not clear if the park is within 2000 feet from her house. Since there's no residential treatment prog. currently avail. to the def't., both the govt's atty. & Pret. Svcs. asked the Court to remand the def't. back to custody. The Court doesn't have enough confidence on the def't. that he will be able to control himself not to use drugs. The Court ordered that def't. be REMANDED BACK TO CUSTODY of the U.S. Marshal forthwith. The def't's atty. will let the Court know as to when this matter will be restored back on cal. later if he finds a residential treat. prog. or suitable place for the def't. to stay.
